Good News Reflection**The temporary and the divine**

In this Sunday's Gospel reading, Jesus says that the day will come when not one stone of the temple will be left mortared to another, because it will all be torn down. He's reminding us that everything here on earth is temporary.

Think of what you enjoy here on earth. It's temporary. What causes you to suffer? It too is temporary. What of this world do you depend on? It's temporary. What do you admire, trust, save, hope for, spend working hours to achieve and plan relaxation hours for a reward? It's all temporary -- unless we are using it for the Kingdom of God.

We know that we're supposed to focus on the things of God, things that will last for all of eternity, but we're uncomfortable with the blind faith that this requires. We are like the disciples who looked for God's vindication against injustices and immorality in the temporal world: wars, earthquakes, plagues and famines. We wish that Jesus would hurry up with his Second Coming and stop all the evils and hardships.

In our daily lives, we seek God's help, but we look for something tangible upon which to base our faith. We want to know the future; we don't like the insecurity of not knowing what God has planned. We depend on what we can see more than we depend on God whom we cannot see, so we ask God to give us signs.

However, the best way to walk forward with God is to raise one foot in air, preparing to take the next step, and -- while that foot is still in the air - - ask God: "Where do You want me to place my foot next?"

This takes balance; if we don't remain centered in God, we teeter and fall. If God doesn't show us immediately where to put our foot down to move forward, we can either fall away or fall into his hand.

God's hand is never temporary! God's hand provides true security based only on his endless, all-powerful, all-knowing love. It doesn't always feel that way, but his love and protection never fail.

Questions for Personal Reflection:

What help from God are you currently waiting for? What wars and insurrections are plaguing your life? Do you believe that your problem is temporary or do you fear that it's permanent? What will you do this week to entrust yourself to the wisdom and guidance of Jesus?

Questions for Family & Community Faith Sharing:

When waiting for God's guidance, how do you stay centered on God? How do you find and hold your balance while you've got one foot wavering in the air? What if you were to put your foot down in the wrong place and move in the wrong direction? Does God protect you then? How?

In the Gospel, Jesus warns the disciples that trouble is on the way. When we go through times of trouble, it does not catch God off guard. God knows of our problems. Jesus warns us to persevere through those times.

Small Group is where our large church gets small. Groups are 6-10 people who meet to discuss faith, go deeper in the weekly message, and support one another in their relationship with Christ. This is the place to care for others and be cared for; a place to impact our community and the world. Assumption small groups are open to accept more people anytime during the year to help your faith journey. If you like to join a small group, stop by at the Welcome Desk in the church lobby on Sunday or email rptak@abvmcentereach.com to sign up.

STEWARDSHIP WEEKEND

November 19-20, 2022

GIVING to our parish is an act of WORSHIP

As I mentioned a few Sundays ago, we will reflect and celebrate Stewardship weekend on **19th and 20th**. God has given us abundant gifts in our lives, including our financial resources. All that we are and everything that we have belongs to God. He has appointed us as stewards of His blessings. Giving to God by giving in my place of worship is an act of worship and giving to the poor is a sure and certain way to grow my faith right now and invest in my future by building up treasure in heaven.

Between now and November 20th, you will receive a mailing with more information. If you haven't received the mailing by then or are new to the parish and haven't registered yet, please pick up a brochure at the door or at our Welcome Desk for more details. This weekend our parish's financial report for 2021-22 is available in the bulletin. Thank you very much for your commitment to our parish as we journey together rebuilding our parish by Loving God, Serving Others and Growing Disciples. -Fr. Joe

Thanksgiving Mass at 9:00 AM

As in the past, our parish will celebrate one mass at 9:00 a.m. on Thanksgiving Day. There will be refreshments after the Mass in the Parish Center, sponsored by our Catholic Daughters of the Americas (Court St Gerard). A big thank you to the Catholic Daughters.

Financial Report: September 2021 through August 2022

As the pastor, it is my responsibility to make sure that the parish remains up to date as to our financial situation. What follows, therefore, is our parish's financial report from our last budget year. Rather than give a list of incomprehensible numbers, I've divided income/expenses into recognizable categories, e.g., Sunday collections, program fees, parish offices, etc. Hopefully, this gives a clearer idea of where the money comes from and where it went. Note that such items as utilities, salaries, etc., have been divided proportionately into several categories, Parish Office, Faith Formation, Church, and Rectory, so these items could be distributed to all areas depending upon a percentage of the total activity.

The goal, of course, is to have our operating expenses covered by our regular income without using our savings or interest to cover operating expenses. Operating expenses are just what the term indicates. I've listed a couple of our annual bills so you get a sense of how much must be spent just to keep the doors opened: Gas, \$21,616; electric, \$19,720; water, \$2,867; insurance, \$57,197; grounds, \$57,265. As you can see from the Income/Expense chart below, we have a slight deficit in our operating budget. This was partly due to an increase in our expenses as we started up many programs again that were curtailed or put on hold in response to the pandemic.

For the parish to thrive, we must continue growing as disciples who embrace the STEPS of Discipleship: Serve, Tithe, Engage, Prayer and Sacraments, and Share. Thankfully, our online giving has increased over the past year. One way of improving and stabilizing our financial situation would be for more families to participate in Faith Direct, our parish's Electronic Giving program. It's a great way to "take a step" toward a stewardship way of life. I use this for my weekly parish offering.

Together we rely on God's abundance. I remain convinced that the Lord is much more prepared for us than we are receiving. The following Income/Expense chart gives us an idea of where we've been over the past fiscal year. If anyone wishes further information or explanation, do not hesitate to contact me at the rectory to set up an appointment. -Fr. Joe
